

25X1

25X1

25X1

1. War vessels observed

two searchlights pointed upward. These

25X1

searchlights went on and off.

25X1

war vessel (either a large destroyer or a small cruiser) moored

25X1

at the seaward jetty (see attached sketch <sup>A.)</sup> ~~NOXSSNEX~~).

25X1

25X1

at the end of the curved Western mole

25X1

(point No 3 on the sketch), the present, small, trellised <sup>beacon</sup> ~~light~~ was being replaced by a ~~much larger building~~ beacon set on an a much larger masonry construction.
